The screenshot shows a patent search interface with a toolbar at the top containing buttons: Search, List, Browse, Queue, and Clear. Below the toolbar, a search bar contains the text "USPAT; US-PGPUB; EPO; JPO; DERWEN" and a "Pure" button. A "Default operator:" label is followed by a radio button labeled "OR". To the right, a checkbox labeled "Highlight all hit terms initially" is checked. The main display area shows a list of search results. The first result is highlighted and shows the title "(bit or bits) same 5". At the bottom of the interface, there is a row of icons for different file formats: BKS form, B6R form, Image, Text, and HTML.
